

Dear Valued Community Partner,

The Lombard Historical Society is dedicated to serving the community, and 2024 promises to be an exciting year filled with events. One of our highlights will be the "Annie" Versary, celebrating a hundred years of the beloved cartoon character Little Orphan Annie. This celebration will include our exhibition, *"Leapin' Lizards! A Hundred Years of Little Orphan Annie,"* along with many other engaging activities.

In addition, we are thrilled to host our Food Truck Social Fundraiser for the third year running. Last year, this event attracted over 2,000 attendees, and this year's event promises to be even more spectacular. With eight food trucks, a beer garden, family-friendly activities, and live music from two bands, there will be something for everyone to enjoy.

We are reaching out to ask for your support in any way you feel comfortable, whether through financial contributions, in-kind donations, or services. As stewards of Lombard's history, our goal is to strengthen our connection with the community through programming, exhibits, events, and expansion of our collection and archive. We invite you to join us in this stewardship role and help make these exciting events possible.

Sponsorship opportunities are tailored to align with our various activities and events, each offering benefits in recognition of your generous support. You or your company will receive complimentary tickets, credit in promotional press releases, recognition on social media (5,000+ Followers), our website, and in event promotional materials and signage.

If you have any further questions about sponsorship or the events, please do not hesitate to contact the Museum directly at 630.629.1885 or email directly at director@lombardhistory.org.
