UNDER THE COURT HOUSE TOWER

By MRS. A. H. SEATON

Resolutions duly passed in the last meeting of the Forest Preserve commission and published in Elmhurst papers are now in effect, and the 25 cent parking charge, as told of last week in this column, is being levied in the three preserves—Herrick's Lake, Fullersburg and Rocky Glen. The revenue yielded is expected to reduce the cost to taxpayers for park maintenance. The parking fee is operative only on Sundays and holidays.

A Bit of History

Organized in 1915, DuPage forest preserve ranks as one of the pioneers in the Illinois conservation plan for the safeguarding of wild life, game birds and native timber. With a fine sense of discrimination, incumbent commissioners realize that the wild life, game birds and aged-in-the-wood of the present generation do not coincide with the ideas of the founding fathers, and therefore they feel it necessary to check destruction of county property with a parking fee.

Records show that DuPage parks, particularly the three mentioned, are much more largely patronized by people outside of DuPage than by resident taxpayers, who pay 5 cents on the dollar of assessed valuation for the upkeep of the park areas. Last year, it was estimated that 234,000 people visited the preserves, at least a third of these enjoying the privileges of Fullersburg, where ancient Salt creek has been transformed into a place of pioneer beauty with modern attachments.

Effective Through Summer

Fees will be collected by special gatemen in uniform, who will be on duty Sundays and holidays from 7 in the morning until 9 in the evening. The parking fee will be in effect until October 1. Another published resolution provides that a fee of \$5 must be deposited with Clerk Clarence V. Wagemann by parties of 25 to 100 people using the parks for picnics, this fee to cover possible damages. Parties over 100 must pay \$19. If everything is left in satisfactory condition, the fees will be refunded by the gatemen at the time.

Legion Plans Annual Morning Ceremonies in Park

SUPPORT URGED

Lombard's traditional Memorial day observance will take place next Monday morning with a parade starting at the village hall and ending at Lilacia park shortly after 11 o'clock, where there will be ceremonies and a Memorial address. Post 391, The American Legion, will be in charge.

John E. McCoy, village attorney, has done such a popular job on various other occasions of the kind that he was again offered, and accepted, the Legion's invitation to deliver the address of the day. Russell Wharton Lambert, minister of the Lombard Methodist church, will give the invocation.

Amplifier for Ceremonies

Residents of the village are strongly urged to support by their attendance at the Memorial service, as the ceremonies will be well planned and carried through without delay. Listeners will have the big advantage this year of following the address and other parts of the ceremony with the aid of the efficient sound amplifier, purchased this year through the contributions of Lombard merchants to the Lilac Time fund.

All members of the Legion and other war veterans are requested to lend their active cooperation by joining.

HAPPY CLOSING WEEK OPENS FOR GLENBARD CLASS

Baccalaureate Sunday, Diplomas to be Given Out Next Thursday

With another class graduating from Glenbard High school next week, the usual list of school activities are occupying the attention of members of the class, their parents and friends during the coming week.

Junior-Senior annual prom started off the activities last week as the usual memorable event that it is. An arbor of white lattice work bedecked with silver grapes was the setting in the Glenbard gymnasium. Music for dancing was furnished by Eddie Evans, with a floor show adding to the entertainment.

Next Sunday, Baccalaureate services will be the beginning of the more formal commencement events with the annual Senior dinner-theater party on Monday. On that particular day the Seniors as a group will have dinner in the LaSalle hotel in Chicago and attend a theater later.

Commencement exercises will be held Thursday, June 2, and report cards will be given out on Friday.

Ten Men Off, Ten New Men On as Talk Rolls On

TWO OPINIONS

To the tune of an outside newspaper publicity blast that fairly rocked the town, the Lombard fire department went through a 24-hour shake up last Thursday and Friday that saw the retirement from active service of ten old members, some of them 25 year veterans, and the immediate substitution of ten new men.

Seven of the old members were placed in the inactive list by action of the village board of trustees Thursday night near the close of a remarkable special session. They are Leo Birr, George Fabri, Ernst Hammerschmidt, August Hammling, Robert Maisew, Otto Meech and William Oetke.

Three More Retire

Three more of the old members resigned or voluntarily placed themselves on the inactive list during the course of a regular meeting of the fire department the following night. They are Martin Meyer, assistant chief for the last six years, Arthur Ahrens and Peter Mueller. They turned in their keys after a majority of those attending the meeting had voted to dissolve the organization, so far as they were concerned.

That is half of the shakedown action, as reported to date. The other half was the approval by the village trustees Thursday night or shortly thereafter of ten new men, all of whom were reported to have made previous application for membership. They are Alex Allen, formerly a reserve fireman in Glen Ellyn, and A. H. White, formerly an Elmhurst fireman, now both residing in Lombard. Emil Beick and James Conlon, village employees, Harold Schneider,

Two Novena Services, Sacred Heart Parish

Due to the reverent interest taken in the Novena services held in Sacred Heart church the opening date, April 29, and to the increasing number attending the following four weeks of Novena services, two services are held on Friday nights, one at 8 p. m. and the other at 9 p. m. in the Sacred Heart church of Lombard of which Father Joseph H. Gehrig is pastor.

Father Kennedy, Servite father, officiated at the opening service, when over 600 persons were in attendance. Five ushers from the Novena Ushers club of Chicago of which there are 175 members, assisted in the service.

These Novena services are a tribute to Father Gehrig and his parishioners in that the Lombard church is the only one in DuPage county to have the privilege of instituting the Novena service. Surrounding parishes are being increasingly represented here at each service.

The past two Friday services have been conducted by Father Claude of Saint Procopious college of Lisle, during the absence of Father Gehrig who has been in Hot Springs and was expected to return this week. One Novena consists of nine consecutive Fridays and will be continued as one of the Sacred Heart services.

GARDEN CLUB

Members are reminded of the Morton Arboretum tour Friday afternoon, this week. Already some thirty-odd reservations for the bus trip have been received, and it would be well to be at the Mayflower building, 117 South Main street, at 12:30 or one o'clock at latest, where cars will be waiting.

441 South Highland avenue, for the all-day meeting on Thursday, June 9, an "open house" affair to which all people interested in hospital guild work are cordially bidden. Those wishing to stay all day may do so by bringing a covered dish for the pot-luck luncheon served at noon. The morning will be devoted to sewing for hospital needs.

In the afternoon Dr. Marquardt of the hospital staff will show moving pictures of his trip through Mexico and Panama, and there also will be pictures of Lombard's own novel and exclusive event, the motorcade of a week ago which was such a notable success. These and a dessert course will conclude what is hoped to be an entertaining as well as a profitable day. Mrs. Harry W. Ashden of Elmhurst, who is president of the guild, will be a guest and will gladly answer any questions regarding the guild's activities. So bring your thimble and be prepared for an all-day sewing bee.

Mrs. Smital and Mrs. Frick have been untiring in their efforts to bring the usefulness and the worthwhileness of hospital affiliation to the attention of civic minded women in Lombard. Elmhurst papers last week carried the story of Hospital day, with the following introduction about Lombard:

"National Hospital day observance Thursday began with the Lombard parade, sponsored by the Lombard unit of the guild, under the leadership of Mrs. George Smital, chairman of the unit, and Mrs. Raymond Frick, past chairman. Boy Scouts, Camp Fire Girls and the York Community high school band figured prominently in the parade that led to the hospital doors early in the afternoon. Loads of lilacs, tulips and other spring flowers were presented and the tours began."

FRETT'S ANNIVERSARY

Specialty shopping events in Lombard this week include Frett's Meat market's celebration of its fifth anniversary of business at 6 South Park. Father and son are associated in the business with Julius Mager as their assistant. SCHOOL PATRONS END YEAR'S WORK IN GAY PROGRAM

Parents, Teachers and Pupils Meet in Westmore—Music and Dance—Books Presented

Activities for the school year were ended for the Westmore Parent-Teacher association last Thursday evening, May 19, with a delightful pot-luck dinner and a lively program following. The business session will be held over until the special meeting on Thursday June 2, when the newly elected officers will be installed and all business for the year finished. The announcement was made by Mrs. John B. Rockwood, president.

Teachers of the two lower grades received the books which had been promised them earlier in the season, Mrs. Conrad Wilk making the presentation. The books for Mrs. Stanish's room were donated through the kindness of Mr. and Mrs. VanBuskirk; Mr. and Mrs. E. Hansen, Mrs. Rockwood and Mrs. Olmsted. The five books for the first grade were given in loving memory by Mrs. Wilk.

Children of the school presented the program, beginning with the first and second grades, Miss Nicholson, who sang "I Love my Peggy Jane." Early in the Morning" and the "Woodpecker's Song" and recited several (Continued on page 8)

This is the first time the orchestra has sponsored a program of its own, and directors and members have spared no pains to make it entertaining and worth while. Miss Lorraine Kufner will serve as accompanist. On previous appearances the young musicians have acquitted themselves with credit to their talent and training, and it is hoped that a capacity audience will greet them tomorrow night.

The program: Cavalier (Lawrence), Blue Waves (De Lamater), Golden Rule (De Lamater) played by the orchestra.

Famous Waltz (Brahms) by Harold Jameson and Robert Lee Conway.

Country Dance (Traditional Morris Dance, arrangement by Ambrosia) Lois Peterson.

Spanish Dance (Moskowski) by Davis Lichtenberger.

Love's Greeting (Elgar), Andante "From the 5th Symphony" (Tschai-kowsky) by the string orchestra.

Neapolitan Nights (Zamecnik) by Evelyn Klinskman.

Barcarolle "From the Tales of Hoffman" (Offenbach), Marilyn Miller, Marie Gross.

Serenade (Drigo), Donald Jameson, Fortuna (Zamecnik), and The Caravan (De Lamater), by orchestra.

Whispering Hope (Hawthorne) by Carol Jean Rideout and Dorothy Bradley.

Hunting Song (Mendelssohn), by Lorraine Kufner.

Carnival of Venice (Arr. by Ambrosia), Dale Walker and Vida Tamburino.

Springtime (Norman), Overture Gema (De Lamater), Little Corporal (Zamecnik), by orchestra.

Doreas Circle Meets

Doreas Circle of the Lombard First Methodist church, will meet with Mrs. Henry Ruth of 60 North Columbine Tuesday, May 31 at 1:30 dessert luncheon.

Postmaster George W. Collins was not advised that a direct airmail flight would be made from Lombard until the Saturday before. While plans for a general participation, with Elmhurst as the nearest point for a direct flight, had been under way, the change in plan led to a flurry of announcement in schools, a proclamation by the village board, arrangements through the Lions club for transportation and much other activity.

Local Artists are Tops

Most exciting as an aftermath of the event was announcement this week that Lombard students won both of the first prize awards that were offered high school and grade students in a county-wide air-mail poster contest.

Peggy Collings, student at Glenbard, daughters of Mrs. Frank Collings of Lombard, submitted the first prize poster from among 176 that were entered by students of DuPage county high schools. Her reward will be a round trip flight to Kansas City, Mo., via the Transcontinental and Western Airlines Ted Lindholm, also of Glenbard, won the second prize award of a round trip flight to Detroit via American Airlines. Fourth and sixth places, with small cash awards, went to Shirley Kranz and Doris Rude, both of Glenbard.

Dudley Sidwell, Lombard Lincoln school student, turned out the best poster of all the 266 entered in the grade school competition from all parts of DuPage. He will be given a round trip flight to Minneapolis via Northwest Airlines. Beate Berge of St. Paul's Lutheran school, Addison, was second and will get a round trip flight to Springfield. Third place here again went to John Burke of Lombard's Sacred Heart school.

School Children Praised

Mr. Collins was warm in praise of the way Lombard school children entered into the Air-Mail Week events. He also said he was astonished at the quick reaction of the Lions club, the village trustees and various individuals to the demand for emergency steps. Between 1200 and 1500 outgoing airmail letters were cleared through the Lombard postoffice during the week.

Exactly 532 airmail letters were placed aboard the special plane bound for Chicago from the Roosevelt road airport Thursday afternoon. Many of these, self-addressed, came back on the same plane a bit over two hours later after being transferred through the postal station at the Chicago airport. As this possibility was not known in advance, something over 200 school children took advantage of an offer by Pres. J. C. Alderman of the village board and addressed their letters to him at his Chicago office. These were returned the following day and distributed through (Continued on Page 8)

George Asmann remains as chief of the fire department. At the regular meeting last Friday, he appointed William Fleege, for a number of years secretary of the firemen, as assistant chief, and Clarence Curtis and Charles Getke as lieutenants. The other remaining members of the old staff are William O. Block, treasurer, Joe Ott, secretary, Richard Goldbach, G. N. Hadley and Al Troyke. The last two named are, and for some time have been, on sick leave.

A Long Story

That boils down the net official outcome to date of a chain of incidents that goes back quite a long way and would take most of this newspaper to set forth in any complete detail, with fairness to the sincere viewpoint of all parties involved. To allay the fears of some local people who wondered after reading Chicago newspapers whether Lombard had a fire chief or a fire department or neither, Chief Asmann reported that he was very much in charge of a satisfactory drill session this last Sunday and that his men are ready for action.

To get at a brief view of the picture, two smoldering issues caused the fuss in the fire department. They came to a head in the firemen's annual election of officers April 22, but the trustees sought through conferences to avoid an open break. This ran on until the newspaper blasts of last week set the stage for drastic action. Big to-do about rival fire-chiefs was more an incident than otherwise.

How it Began

It started in a series of steps the trustees have taken over the past year or more to raise the village from seventh to sixth rating according to standards of the state board of fire underwriters in order to increase fire protection and at the same time gain a reduction in fire insurance premiums on Lombard property. One of these required steps was a twice monthly drill by members and another was a proposal that the firemen take turn about, two at a time, sleeping on cots at the fire station in order to obtain more prompt response to night fire calls. There were other items that did not involve the firemen directly.

Anyway, it developed that some of the fire fighters were willing to go along with the suggestions, while others did not approve the extra demand on their time, either because they did not have the time to give or because they believed they were entitled to compensation for the additional service. There were also charges of a plot to oust some members, through this procedure, owing to political differences.

Mainly, a voting majority of the firemen, mostly veterans and several belonging to the original group that organized the volunteer department (Continued from Page 3)

CLUBWOMEN ATTEND PRESIDENTS' DINNER

Mrs. Frank W. Bowen, president of the Lombard Woman's club; Miss Ella Brophy, past president; Mrs. Louis C. Hebel, director of the Choral club; Mrs. Earl D. Hollinshead, first vice president; Mrs. Harvey Lucas, social chairman; Mrs. Herbert A. Hoyer, house chairman; Mrs. E. Martin Schnoeker, past social chairman, and Mrs. P. R. Woodworth of the drama class were among local clubwomen in attendance at the conference of club presidents and program chairmen of the National Federation of Women's clubs, held last Saturday in the Stevens hotel in Chicago. The occasion was the annual May breakfast sponsored by the national group, and some 2,000 women were present.

The distinguished guest of honor was Rear Admiral Richard Evelyn Byrd, hero of the Antarctic. Of special significance to the Lombard women was the presence of another guest—Dr. Thomas Poulter, second in command with the Byrd expedition; holder of the Congressional medal of honor, who was the guest speaker in the First Methodist church in Lombard some three weeks ago.

In his address Admiral Byrd took the opportunity to pay his personal tribute to Dr. Poulter, who was the first to reach him after his self-imposed exile in the long Antarctic winter.

While in Lombard Dr. Poulter was the house guest of Mr. and Mrs.

Raymond Hall, 141 West Windsor avenue. Mrs. Hall's friendship with Dr. Poulter dated back to her student days in Iowa State university, where she was a member of his class in chemistry.

THIRD-FOURTH GRADERS ENTERTAIN MOTHERS

It was a lively and entertaining program which the pupils of Lincoln school third and fourth grades put on last Friday afternoon for the pleasure of their mothers, and everybody concerned had a happy time. Incidentally the guests visited the two grade rooms to see the varied exhibit of the children's work. The usual appetizing refreshments concluded the afternoon.

Appended is the program:
Piano solo, "Somersaults," Carol Weigle.

"Tales of Spring," "An April Day," and "The Robin," by third grade.

Piano solo "Harvest Moon," Mary Thayer.

"The Shell," fourth grade.
Piano solo, "The Villain Comes Treading," Roberta Oakes.

"Smelling," and "Bird's Swing," grade three.

Piano solo, "The Veil of Song," Ariel Hollinshead.

Violin solo, "Primrose Dance," Dorothy Walker.

Lullaby, fourth grade girls.
Piano solo, "My Boat is Sailing," Harriett Hanson.

"Motor Car Ride," third grade.

Piano solo "Dolly Dreaming," Betty Jean Cosyns.

"The Meadow Lark," "The Song of the Lark," and "Dusk," grade four.

Piano solo, "The March of the Goblins," Barbara Clough.

"Oriole Cradle," and "The Woodpecker," grade three.

Piano solo, "Sack Waltz," Lorlie Ledbury.

"The Little Old Woman," "The Grasshopper," and "The Zoo," grade four.

Piano solo, "Eleven at Play," Barbara Templeton.

Violin solo, "Famous Waltz," Marian Heinrich.

Piano solo, "The Banjo," Raymond Jones.

Accordion solo, "After the Ball," Jack Stitt.

"The Tea Party in Fairyland," third and fourth grades.

INVESTITURE RITES FOR GIRL SCOUTS

Beatrice Hjelte, scribe for Troop One, Lombard Girl Scouts, reports that 35 troop mothers and daughters were present Thursday, May 19, for the ceremony of investiture. The mothers were invited guests, and 12 merit badges were awarded, two second-class badges and four Tenderfoot pins. After the ceremony the entertainment committee got busy and provided everybody with eats and laughter. Because the girls had no leader Troop One got off to a late start this year, but hopes to make a good record for the coming months.

COUNTY AUXILIARY DINNER JUNE 2

Members of DuPage county council, American Legion Auxiliary, will hold their annual dinner at the Union church, Hinsdale, on Thursday, June 2. It was announced by Mrs. Win G. Knoch of Naperville, president of the council, this week. DuPage County council is composed of the 13 Auxiliary units of the county and has over 1000 members.

Mrs. A. A. Pantella, president of Illinois department will be the guest of honor and will give the main address of the evening. Mrs. Pantella is well known to DuPage county members as she has been active in the Illinois department for many years.

A few years ago Mrs. Pantella was president of the Cook county council which has a membership of over 11000, which is larger than many departments. Under her capable leadership, Illinois now has an enrollment of 36,000 members and is one of the most outstanding states in the national organization.

Mrs. Mae Morris president of the Hinsdale unit will be in charge of the dinner and will be assisted by the members of the unit in providing the evening's entertainment.

secretary; and Mrs. Joseph Hebble of Lombard, treasurer.

Covers were laid for forty at the banquet table, served by the hostess, Mrs. Deicke. The evening was completed with cards and dancing in the recreation room.

Two Churches Unite in Daily Bible School

Superintendents and teachers have been secured for the Daily Bible school to be held under the auspices of the Congregational and the First Methodist church schools. Workers and pupils will meet daily from 9:30 until 12 on week days, Monday to Friday, starting June 6, and continuing through June 24.

Mrs. E. H. Christensen and Mrs. Paul Dexter have consented to be the superintendents of the primary and junior-intermediate departments. The primary group consisting of boys and girls of 1st to 3rd grades will meet in the Congregational church, while the Junior-Intermediate group consisting of boys and girls from the 4th to 8th grades will meet in the First Methodist church.

The committee is quite fortunate in being able to secure such well trained and qualified leadership for the school.

A registration fee of 25 cents per week will be asked from each pupil to help defray the cost of maintaining the sessions.

In Wisconsin

Elizabeth Barta, 421 South Lombard, enjoyed a brief vacation in Salem, Wis., last week end. She accompanied friends from Chicago.

QUICK SHAKEUP REPLY TO YARNS ABOUT FIRE DEPT.

(Continued from page 1)

25 years ago, held the view that they were an independent body not subject to control by the village board. They believed that if they disapproved any of the new plans it was their right to decide their own course of action.

Vote for Independence

In this situation, they met April 22 for the annual election of fire chief. The outcome was a vote for independence, Ernst Hammerschmidt, getting a majority of 9 to 5 over Chief George Assman, who had led the defense of the program outlined by the village trustees. The firemen realized there was a fight ahead. They sat tight, and it was some ten days before the news of the election began to spread.

Meanwhile, Pres. J. C. Alderman of the village board, Harvey B. Lucas, chairman of the fire and police committee and the other members called the firemen in for a quiet conference. Notice was served that the trustees proposed to go ahead with their plans for the fire department, and that since Chief Assman had shown his willingness to cooperate, Assmann would continue as fire chief, the trustees having full authority to override any action of the fire department under the specific terms of a time worn ordinance.

Then Came the Blast

There was a period of watchful waiting on both sides after that until news stories suddenly began to pop last week, with a glamorous fight picture of rival fire chiefs contesting for authority. Laying credit for the publicity at the door of the insurgent members, the trustees decided to put an end to the uncertainty. Last Thursday night's meeting followed. Quite a bit of the session was a verbal sparring match between Alderman and Lucas on one side and Hammerschmidt on the other, regarding a wide range of fire department subjects, a report of which would fill several columns. In the end it was clear that the original differences in opinion still prevailed, so to get at the object of the meeting Trustee Lucas moved that action be taken as outlined at the fore part of this story. The reason given for retiring the men named was that they had failed to attend routine drills in a manner indicating a desire to cooperate. Figures on attendance at drills were quoted to back up the action.

In the absence of any other willing spokesman for his side of the issue, E. Hammerschmidt directly challenged the authority of the village board to take any action relating to

PHOOEY BUSINESS!

"Phooey!" That is not what George Assman or Ernie Hammerschmidt or anybody else said for publication about the current lamented "smoke-eaters" controversy in Lombard. It was just a bit of fancy writing by a city-bred reporter trying to write page one news with a punch.

But it is, in effect, what Ernie Hammerschmidt told the photographer who wanted him to pose for a picture in a fire chief's uniform. It is, in effect, what he said when asked if he volunteered that long "hot stuff" interview in a Wheaton paper last Wednesday.

It is, in effect, what the village trustees snorted at the suggestion they were trying to put the fire department in politics.

It is, in effect, what the average Lombard resident thought when he read those slightly superior, slightly pitying, outside newspaper stories.

Phooey! But it did make a cracker-jack story.

PAY TAXES NOW, AVOID PENALTY, URGES HELLYER

County Treasurer Says Payments Without Penalty will be Accepted Wednesday, June 1

Property owners who have not as yet paid their 1937 real estate and personal property taxes are urged by County Treasurer Arthur L. Hellyer to make such payment before the penalty date which is Wednesday, June 1.

As all court house offices will be closed next Monday, Memorial day, thus shortening the time remaining in which to pay taxes without the penalty, all payments made on June 1 will be accepted without penalties.

"I most earnestly urge," said Mr. Hellyer, "the payment of taxes by the people of DuPage county before the delinquent date, for in so doing they will save money by avoiding the penalties which under the law must be added after June 1st. Also, by paying at this time the local governmental units throughout the county will be helped considerably.

"The school districts and other taxing bodies of the county would be able to save interest on loans and would also be enabled to discount their bills if sufficient tax moneys are collected by June 1."

The county treasurer also pointed out that tax payers who are delinquent on their real estate payments, upon which substantial penalties have accrued, may now avail themselves of a procedure whereby the major portion of the penalties are

MANY EXHIBITS BY GARDEN CLUB IN FLOWER SHOW

Details of Display to be Arranged for June 11-12 in Lincoln School

Mrs. Wendell T. Schiel and fellow officers and committee members of the Garden club are busy with plans for the flower show, to be held on Saturday and Sunday, June 11 and 12, in Lincoln school hall, St. Charles road and Lincoln avenue. The hours will be from 2 until 10 each afternoon and evening.

Following are the regulations under which the exhibit will be conducted:

Rules

All exhibits must be in place by 10 a. m. on Saturday, June 11th. Exhibits received after this time will not be eligible for competition.

Only one entry allowed an exhibitor in each division.

Plant material must be grown by the exhibitor except in Floral Arrangements (Class 4) and the Wild Flower Bouquets in Class 8.

All arrangements must be the work of the exhibitor.

Containers will be furnished for specimen blooms (Class 10). Exhibitors must furnish own containers in other classes.

Exhibitors will not be permitted to remove an exhibit during the period of the show.

While due care will be taken of all personal property of exhibitors, no responsibility will be assumed by the committee for any loss or damage.

If the number of entries in any class is insufficient to warrant reasonable competition, or are unworthy in quality, award of ribbons may be withheld at the discretion of the judges.

Decision of the judges shall be final.

MEN WILL MARCH AGAIN IN PARADE MEMORIAL DAY

(Continued from page 1)

ing the parade as it forms in front of the village hall at 10:30 o'clock. The Legion color guard will take the lead, followed by the Glenbard high school band and the marching veterans' unit.

Boy Scout troops of the village will gather at Lincoln school, and when the parade reaches that point, via Grove and Lincoln streets, there will be a pause for flag raising ceremonies scheduled at 11 o'clock, in charge of the Scouts. Then the Scout units will fall into line for the march to the park.

LEGION NOMINATES NEW OFFICIAL SLATE

James E. Millay, activities chairman for the last year, was named for the position of commander of post 391, The American Legion, to succeed Julius C. Smith, in the report of the nominating committee read at the regular meeting of the post Monday night. The election is scheduled for June 13.

Other officers nominated were Fred Maack for vice commander; Arthur R. Jones, finance officer; Newton Bean, sergeant-at-arms; L. V. Denniston, service officer; John E. McCoy, judge advocate; L. S. Whitbeck, chaplain; Dr. P. R. Woodworth, medical officer; E. G. Goddard and John H. Miller, to the executive committee; Frank Barth and Ray T. Harders, to the county executive committee.

There were no other nominations. Howard Lundgren, Jr., and Jack Denniston were approved as appointees, sponsored by post 391, to the annual Boy State, scheduled to meet at Springfield June 19 to 25. In another item, the Legion men voted to support a new county-wide project to combat junior delinquency.

Letters of congratulations on the merit and success of the recent activities of Youth Week, sponsored for the first time by the Lombard Legion, were read from Prin. F. L. Blester of Glenbard high school, Supt. Ada Manning of Lombard public schools, and Sister Lybia, principal, and Rev. Fr. J. A. Gehrig of Sacred Heart school.

LAST LUNCHEON

Mayflower circle of the Ladies Union are serving a noon luncheon today in the Parish House, to be followed by a short business meeting and program at 2 o'clock, which will mark the close of the season's activities for the group. Sessions will be resumed in September.

CARD PARTY TONIGHT

Group number 9 of Sacred Heart parish is sponsoring a card party to be held this evening, (Thursday) May 26 in the parish hall. All games will start promptly at 8:30. A number of prizes will be awarded the winners, also the usual grand door prize will go to the lucky person.

Refreshments will be served at about 10:30, with a delightful lunch planned. The public is cordially invited.

Pappy Poster Winners

Patry Churchill, 422 South Craig place, first division; Robert Kallman, 117 South Martha, second division; Doris Rudd, 320 West Windsor, third division—were local winners in the

recent Poppy poster contest sponsored by the American Legion Auxiliary for students in the grade and junior high schools. Robert, a freshman, and Doris, a junior, won first place in their divisions in the county, thus making them eligible for the Eleventh district contest.

Harold Grays Here

Mr. and Mrs. Harold Gray have completed a week's visit in the parental home, Mr. and Mrs. Ira L. Gray, 119 North Main street, and left this week for California and a visit to kinfolk out there. ANOTHER MAN BOUGHT ONE!

Last week a man telephoned The Spectator office with a request that he be placed on the subscription list of this newspaper. He had been a resident of Lombard for some months. He said among other things that he believed the town needed a newspaper with a purely local point of view and that everybody ought to read it. That was a laudable comment in the view of a newly local newspaper editor. It is a pleasant acknowledgment that an increasing number of persons in Lombard are valuing their subscription to The Spectator. The editor is earnest, perhaps somewhat enough about his business to believe that to be a healthy sign for the community generally. It is not the policy of this newspaper to be too concerned with a certain class of petty items in the news that the city may regard as destructive to somebody or some agency in the city of its class. It is the definition of news, and always observed to print on an unprejudiced way every item that the public has a right to know and an amount of the reader's background.

An Early Chatter Column

Walter Winchell may be credited with making the American public conscious of the chatter column in daily newspapers but the idea was not original with him. In fact it was being met in Illinois even in his grandfather's time, research workers on the Federal Writers' project have found.

A column called "Gossipites," discovered in issues of the Chicago Times of 1859 and 1860 occasionally contains "Witchell" names. One item reads: "Another set of pious needles in the back of the neck" - "beat track" on the immorality of dancing. A verification of the maxim in regard to the fool and his company.

A later heavy gives a slight on social customs of Chicago, just preceding the Civil War. "A Gentleman passing along Michigan Avenue on New Year's day was surprised to see at almost every house, a basket hanging on the doorpost. "Oh," turning to his companion, are these people collecting alms for themselves or for charitable institutions? The companion explained that the meaning of the basket was "Calls received only by card in the basket."

The column, which did not carry the by-line of the author and appeared at irregular intervals is supposed to have been written by one of the editors of the paper, James W. Breshan or William Price, either to mention tid bits they did not deem worthy of full play as news items or to get many news items into a small space. A compact item printed in the column of Jan. 29, 1860 stated:

"A horse, attached to a sleigh ran away evening before last, broke the sleigh, spilled the driver, and was arrested just in time to prevent him running over a sleigh in which a lady was seated, waiting the return of her husband, who had just entered a fruit store."

An account of a domestic tragedy that in later times would ordinarily be treated at length and given headlines was judged to be worthy of mention only in the "Gossipites." It tells of a man who "shot his wife last night in the presence of her father and mother, and afterwards cut her throat, and shot himself through the head. Both are dead. A case of domestic trouble and infidelity on the part of the wife."

Old Mills now Landmarks

Two Dutch windmills their usefulness as an end, remain as picturesque landmarks in DuPage county. The Helesman Mill, a half mile north of U. S. highway 29 on Mill road, just north of Addison, was built in 1827 and continued in service until 1929. Its original tower, 30 feet wide at the base and 18 feet at the top, supports a wheel with a 12-foot diameter, and spread that reaches to within twenty feet of the ground.

An education exhibit is a feature of the Albers Mill, in Mount Emblem Maanac country, Mill Project road. Except the mill stones, all the working parts of this fine old structure, built in 1830, are of wood and have been preserved almost without exception. The mill is owned by the Albers family, who are descendants of the Federal Writers' project have found.

AN OPEN LETTER ABOUT THE FIRMEN

To the Village Board of Lombard: As a resident of this community for 25 years and as a taxpayer for the last 15, I would like to raise my voice in protest to the manner in which our loyal and capable volunteer fire department has been treated during the past week.

Were you not asked to carry on the affairs of this village in an intelligent, efficient and economical fashion?

Does it show any intelligence to throw out a group of men who know their business and whom no one in Lombard has ever found reason to criticize and to replace them with a bunch of inexperienced though well meaning gentlemen?

Furthermore are you supposed to carry out the wishes of the people or your own crack pot ideas? Maybe I'm wrong after all and this is Washington with a dictator at the head of a lot of brain trusters sitting about the council table.

We all know how low the fire insurance rates are here. In fact the rate on a frame dwelling is 25c a hundred in Chicago and in Lombard the rate is 20c. The proposed saving of \$1,000 spread over the entire village is a drop in the bucket and we the people are not interested in the saving to the extent of forcing the firemen to spend their nights in the fire station.

How many of you would enjoy spending your evenings there?

Rumor has it that the fire trucks are in a deplorable condition. If this is true why are they not replaced by new ones?

If instead of interfering with our very satisfactory fire department you would have tended to some of the firemen's holes in the route hereabouts and removed a few bird nests from the street lights and gone ahead with your campaign for good side walks we would have felt much more kindly toward you. Hoping you are enjoying a grand good time of remorse, I am, Thoroughly disgusted, Mrs. P. W. Gauger.

PROTECT THE COURTS

Editor Spectator: During the past week thousands of persons in this county have been protected by the Illinois State Bar Association. The bar association has had a thorough going over. Should we have a president or dictator in Congress necessary? Why have a Supreme Court? Words of wisdom on the subject of judicial courts, spoken by an outstanding scholar, a successful judge and famous American last week seem worth remembering. Its octagonal tower, 30 feet wide at the base and 15 feet at the top supports a wheel with a 75-foot sail spread that reaches to within twenty feet of the ground.

An education exhibit is a feature of the Ahlers Mill in Mount Emblem Masonic cemetery, Mt. Prospect road. Except the mill stones, all the working parts of this fine old structure, built in 1850, are of wood and have been preserved almost without exception to their original form. It is most impressive at night, when lights play on its great sails, research workers of the Federal Writers' project have found.

AN OPEN LETTER ABOUT THE FIREMEN

To the Village Board of Lombard.

As a resident of this community for 25 years and as a tax payer for the last 15, I would like to raise my voice in protest to the manner in which our loyal and capable volunteer fire department has been treated during the past week.

Were you not elected to carry on the affairs of this village in an intelligent, efficient and economical fashion?

Does it show any intelligence to throw out a group of men who knew their business and whom no one in Lombard has ever found reason to criticize and to replace them with a bunch of inexperienced though well meaning gentlemen?

Furthermore are you supposed to carry out the wishes of the people or your own crack pot ideas?

Maybe I'm wrong after all and this is Washington with a dictator at the head and a lot of brain trusters sitting about the council table.

We all know how low the fire insurance rates are here. In fact the rate on a frame dwelling is 23c a hundred in Chicago, with a paid fire department and in Lombard the rate is 22c. The proposed saving of \$4,000—spread over the entire village is a drop in the bucket and we the people are not interested in the saving to the extent of forcing the firemen to spend their nights in the fire station.

How many of you would enjoy spending your evenings there?

Rumor has it that the fire trucks are in a deplorable condition. If this is true why are they not replaced by new ones?

If instead of interfering with our very satisfactory fire department you would have tended to some of the treacherous holes in the roads here abouts and removed a few bird nests from the street lights and gone ahead with your campaign for good side walks, we would have felt much more kindly toward you.

Hoping you are enjoying a grand good case of remorse, I am,

Thoroughly disgusted,
 Mrs. F. W. Gauger.

"It is the exceptions among the judges who, with their conspicuous ineptness do the harm. But the maintenance of the standards of judicial office rests chiefly with the electorate where judges are elected, and with the appointing power where they are appointed. . . . It is in the judicial process that we find the most developed and systematic effort of a democratic community to maintain the interests of justice by opposing reason to passion, accepted principles to unbridled discretion, and the requirements of fair play to the favoritism or tyranny of power."

As judges, officials, and electorate, feel and conscientiously discharge their varied responsibilities, we may be so fortunate as to keep our remarkable advantage as a great and rich country over various other parts of the world in which for the time power seems the only judge and passion the only reason, and where de-

struction of certain human values and of property goes on apace.

Des Plaines Elks Draw Transport Resolution

A resolution, asking the railroad company to issue a 45-ride commutation ticket for use of the many who work five days a week in Chicago and who therefore have no use for the 54-ride tickets that are now sold, is the most recent undertaking of the Des Plaines Elks lodge. If the movement goes through it will mean considerable saving to hundreds of commuters using the North Western as transportation to their work in Chicago. The request is gaining force throughout the suburban territory, the Elks lodge in Elmhurst given credit as being the originators of the money saving idea.

"HOME BUILDING TO CREATE JOBS" AIM OF NEW BODY

Many Groups Included in New DuPage Group Formed Last Week at Court House Session

A well attended meeting for the purpose of forming an organization to promote home building throughout DuPage county was held in the court room of the DuPage county court house, Wednesday evening, May 18. Joseph Bauer of Wheaton was elected president for a one year term.

Elected unanimously with the Wheaton man to lead the organization in its promotional campaign are L. Olson of Glen Ellyn and Chicago vice president, M. C. Stephens of Glen Ellyn, treasurer and Mrs. Alice Whitehead of Wheaton secretary. Mrs. Whitehead is also secretary of the DuPage county real estate board.

Aims Set Forth

- 1. The stated benefits it is hoped to achieve are:
 - 1. Relieving vacant, now growing weeds and a drag on the tax payer.
 - 2. The paying of taxes and special assessments thus providing added funds for schools, roads, etc.
 - 3. Employment for architects.
 - 4. Mortgage loans for financing agencies.
 - 5. Employment for all trades.
 - 6. An influx of home-minded people into DuPage county.

Following the election of officers, the various committees were appointed as called for in the constitution drawn up by L. Olson, chairman of the organization committee. The membership of the executive committee will consist of a representative from each town, city and village in the county.

Mr. Bauer reported in behalf of the later committee which met Wednesday afternoon with the Building Trades council and announced that the Building Trades council would cooperate to the fullest extent and submit the plan to the rank and file at a special meeting as soon as the organization can show concrete evidence of an increase in the building program.

Argument of the organization before the labor board was that they could assure labor a larger monthly salary by a reduction in the hourly wage scale. An evidence of increase in building can be secured as the organization has a number of contractors and builders who have a large number of prospective builders who are ready to build if a sufficient amount of land is available.

In opening the meeting, Mr. Bauer said that a survey of the county revealed that there is a great number of

vacancies in the building industry, as great as there are in the rest of the country. In the light of this fact, it is not surprising that many of the contractors are taking their equipment and are becoming itinerant. They feel that something should be done to keep their equipment in operation and maintain them at a great saving of money. There is a great shortage of homes in DuPage county and a great many people would like to have who have a limited amount of funds but with their own equipment they are able to build their own homes. It is estimated that they could build a home that would cost less than a home that is built by a contractor. There are a large number of beautiful homesites with all public improvements in near by transportation in the metropolitan area.

The organization committee has also approached the material men and the realtors and have been assured that they would cooperate by reducing prices to the minimum.

Excursion of homes on the vacant property in the county will be of benefit to taxing bodies as well as everyone else. Naming the organization has been deferred until a later meeting as several matters were suggested but none decided on. The organization is not formed for profit and anyone interested in building throughout DuPage county may become a member.

"Soap Box Derby" New Event in D. G.

DuPage Grove is starting plans for a first attempt at a Soap Box Derby for the boys of that community between the ages of 9 and 15. The preliminary and final "derby" will be run off in DuPage Grove during the week of July 4-9 and the winner if his coaster will come up to national specifications, can enter the national finals which will be run off in Akron, Ohio, in August.

There will be four divisions of entries depending upon the age of the boys. Rules include the kind and size of the wheels which may be used and other specifications which will put the entrants on equal basis making the competition more keen.

The coasters are made by the boys themselves, this being one of the most stringent rules. They are not powered by any means, relying merely on gravity to coast down some hill. Any boy who allows his foot to touch the ground at any stage of the run is disqualified. They are merely coaster wagons which can be secured and stripped by means of some kind of braces, mostly of the dragging type. Members of the committee will be on hand to direct the boys as that class will be in keeping with national specifications.

Lombard Winners in Poppy Poster Event

Mrs. Esther Berry of Villa Park, chairman of the DuPage county council Poppy committee of the American Legion Auxiliary, announces the winners of the thirty poppy poster contest. Each of the 13 units of the council held a contest in their

local schools and the winners competed in the county contest. In the first division, including 4th, 5th and 6th grades, Dolores Hill of Lombard was first place and Kenneth Schwartz of Northbrook second place. The second division including 7th, 8th and 9th grades, Robert Redburn of Lombard ranked first and Homer Johnson of Glen Ellyn was second. This contest was held at the DuPage county court house last week. The contest was won by the 4th grade boys of Lombard. Because of his excellent work, Bill Lynch of Hawthorn was given honor-able mention in this group.

The subject of the contest was Mrs. Marshall House, an important North Central college. With James, director of Wheaton college art department and Mrs. Raymond Wilkins, well known artist of Lombard. These contestants in total, unusual for the contest. The contest was held at the DuPage county court house last week. The contest was won by the 4th grade boys of Lombard. Because of his excellent work, Bill Lynch of Hawthorn was given honor-able mention in this group.

C. A. & E. Announces Schedule for May 30

On Memorial Day Monday May 30 all trains of the Chicago Aurora and Elgin railroad between the Chicago loop and the western suburbs and Fox river valley cities will be operated on the regular Sunday schedule, according to announcement of Leo L. Huntington, general passenger agent and public relations manager of the road.

Because of the frequent service which the railroad operates it is not anticipated that special trains will be necessary to handle the extra volume of week end Memorial day passenger traffic, but arrangements have been made to add sufficient extra passenger cars to all regular trains where necessary to provide adequate service for the holiday travelers.

"HOME BUILDING TO CREATE JOBS" AIM OF NEW BODY

Many Groups Included in New DuPage Group Formed Last Week at Court House Session

A well attended meeting for the purpose of forming an organization to promote home building throughout DuPage county was held in the circuit court room of the DuPage county court house, Wednesday evening, May 18. Joseph Sauer of Wheaton was elected president for a one year term.

Elected unanimously with the Wheaton man to lead the organization in its promotion campaign are: L. Olsen of Olsen and Urban, architects, of Glen Ellyn and Chicago, vice president; M. C. Stephens of Glen Ellyn, treasurer; and Mrs. Alice Whitehead of Wheaton, secretary. Mrs. Whitehead is also secretary of the DuPage county real estate board.

Aims Set Forth

The stated benefits it is hoped to achieve are:

1. Sale of vacant, now growing weeds and a drug on the market.
2. The paying up of taxes and special assessments thus providing added funds for schools, roads, etc.
3. Employment for architects.
4. Mortgage loans for financing agencies.
5. Employment for all trades.

able mechanics in the building industry as good as there are in the land but they will soon lose their skill if not put back to work. A large number of contractors are idle with their equipment and are becoming desperate. They feel that something must be done to keep their organizations together and solvent.

There is a great shortage of homes in DuPage county, and a great many people wish to locate here, who have a limited amount of funds, but with a reduction of cost so that they could meet their obligations if they secured a loan, they would be glad to come to DuPage county where there are a large number of beautiful homesites, with all public improvements in, near good schools and churches and the best transportation in the metropolitan area.

The organization committee has also approached the material men and the realtors and have been assured that they will cooperate by reducing prices to the minimum.

Erection of homes on the vacant property in the county will be of benefit to taxing bodies as well as everyone else. In the first division including the fifth and sixth grades Dolores Wittkowski of Westmont won first place and Kenneth Friedrich of Naperville second place. The second division, including seventh, eighth and ninth grades Robert Kallman of Lombard ranked first and Elinor Hanson of Glen Ellyn was second. Third division honors for high school students were awarded to Doris Ruid of Lombard, first and Nancy Hough, second. Because of his excellent work Bill Lynch of Hinsdale was given honorable mention in this group.

The judges of the contest were Mrs. Marshall Houck, art director of North Central college; Witt Jayne, director of Wheaton college art department, and Mrs. Raymond Wilkinson, well known artist of Lombard. These judges felt that the talent of these contestants is most unusual and that they have a future in this line of work. WEST SUBURBAN TRACK MEET AT LA GRANGE FRIDAY

Home from Western Tour

Harold P. Flint, wandering minstrel in the cause of Tau Kappa Epsilon fraternity, of which he is the national secretary, returned this week from a seven-weeks' tour of colleges and universities in the west and southwest. Previously he had completed a similar tour of the eastern and southern states in the interests of the organization, which is an honorary collegiate fraternity.

STATE OF ILLINOIS HENRY HORNER, Governor NOTICE TO CONTRACTORS

For Work to be Constructed Under the Motor Fuel Tax Law

1. Time and Place of Opening Bids.

Sealed proposals for the improvement of the thoroughfare (a) described herein will be received at the office of the President and Board of Trustees of Lombard, DuPage County, Illinois, until 7:30 o'clock P. M., C.D.S.T. June 6, 1936 and at that time publicly opened and read.

2. Description of Work. (a) The proposed work is officially known as Section 7-C. S. Arterial St. No. 3. The proposed improvement begins at Station 0/20 a point on the W. line of Main St. and the intersection of Main St. and Parkside and extends in a westerly direction along the center line of Parkside to Sta. 3,45 a total distance of 325.0 feet, of which 325.0 feet, (6.0616 Miles) are to be improved.

(b) The proposed improvement is to be street widening, new P.C.C. curb and gutter, P.C.C. sidewalk approaches, and one inch sub class J-1, J-2, or J-3 sheet asphalt surfacing with leveling course.

3. Instructions to Bidders. (a) Plans and specifications may be obtained from the Municipal Clerk or Municipal Engineer for a specified length of time upon deposit of \$5.00, which deposit will be returned upon the return of the plans and specifications within five days after opening of bids.

(b) Proposal forms may be obtained at the office of the Municipal Clerk, or at the office of the Municipal Engineer.

(c) All proposals must be accompanied by a bank cashier's check, or bank draft for ten (10) per cent of the amount of the bid, as provided in the "Standard Specifications for Road and Bridge Construction," prepared by the Department of Public Works and Buildings of the State of Illinois, adopted by said Department July 1, 1936.

4. Rejection of Bids. The President and Board of Trustees reserves the right to reject any or all proposals and to waive technicalities.

By order of the President and Board of Trustees of Lombard, Illinois, May 16, 1936.

HUBERT E. MOGLE,
Village Clerk.

in D minor" which was featured on the program of the annual festival of music. Now Miss Genson, a member of the class of 1938, provides the orchestra with a modern impressionistic number, a "Forest Requiem." Her activities with the melodic pen were an outgrowth of her enrollment in the high school harmony class. The young composer resides with her mother and sister, Marjorie, also a Glenbard graduate at 43 North Park avenue in Lombard.

Massed Choirs to Sing

The massed choirs will present four numbers from the recent national festival competition program at St. Louis, at which the A Cappella Choir won high national honors. The "Chorus of Homage" by Wilhelm Gericke, with Jean Martin and Charleen Frye, '38, at the piano; and "Prayer" by Kountz will be sung Sunday night. At graduation, the choirs will sing "Oh, Blest are They" by Tschalkowsky, and the "Music of Life" by Noble Cain.

Alice Kober of Lombard, daughter of Mr. and Mrs. George J. Kober, will be presented as soprano soloist representing the senior class. She will sing "Springtide" by Becker, and "Invocation to Life" by Spross.

the assemblage, Weigand hit another "railroad" in the final frame, and wasn't able even to salvage a point out of the wreckage.

Big Pete plummeted from an all but conceded championship of the tournament down to fifteenth place on that third game fadeout of 177 points. His total was 669, and first prize went to a man who bowled a 696 series.

Weigand is a philosopher and believes that a man has his ups and downs, but he made the round trip so fast that time that he still feels dizzy. He shot a "300" not so long ago on the Lombard alleys, but his average score is 187.

Visits New Oil Field

John P. Hopkins, 414 North Main street, returned Monday from a few days visit with his mother, Mrs. S. B. Hopkins, and brother Charles at Henderson, Ky., center of a newly found oil boom. Charles Hopkins is trust officer in the Farmers' Trust Co. of that city of some 14,000. Drilling for oil there started only a few months ago, but interest rocketed recently when a first 7,000-barrel well, the minimum desired for present operations, came through. Many more wells have come in since, and the news has created a rush of big and little oil men from Texas, Oklahoma and other centers of the industry. One well, Mr. Hopkins reported, is located just three miles from property owned by his family. He found

WEST SUBURBAN TRACK MEET AT LA GRANGE FRIDAY

York Is Favorite for Team Honors—Glenbard in Fight for Second Place

Speedsters and top ranking stars otherwise of the seven high schools comprising the West Suburban conference will make their final bid for honors tomorrow (Friday) afternoon on LaGrange field in the fifteenth annual track and field meet, with York high of Elmhurst and Villa Park conceded as a heavy favorite for team championship.

York demonstrated all around strength in all its preliminary tests, and although Downers Grove placed ahead of

York in the state meet this was chiefly owing to the work of Downers' individual speed star, Schlauder. Glenbard, Maine, LaGrange and Downers will have to be content, as the form sheet shows it, to fight it out for second place.

Glen Hopes Limited
Glenbard's highest hope rests with Capt. Friedrichs in the hurdles and Bill Morgan, who won the district meet at Proviso and took fifth in the state carnival in his specialty, the javelin throw. For the rest, the Green and White must see what can be done about garnering points in the place and show columns.

All around strength of the West Suburban conference makes it a certainty that fans who attend the meet will have plenty of thrills for their afternoon. T. K. Foulkes, of Maine high at DesPlaines is president of the conference, M. B. Travis of Hinsdale, vice president, and George L. Letts of York secretary. Travis is general chairman of Friday's event.

Glenbard holds the present conference record in the 100-yard dash, with Bob Grieve's time of 9.7 seconds, set in 1932, also the record for the 42 inch high hurdles, and the 220 yard low hurdles, both set by Bob McLeod in 1935. Anderson of Glenbard shares with Kenetic and Risley of Maine the conference record of 22.2 seconds in the 220 yard dash.

York won last year's conference meet, while Maine was the champion in 1936. Glenbard won in each of the two previous years.

Bigger and Better Softball on Way

Plans for what is hoped will be the great season for the local Soft Ball league are rapidly taking form. An enthusiastic meeting of officers, managers and players was held in the Village hall Monday evening, attended by representatives of four Lombard teams and one team each from Glen Ellyn, Hinsdale, Addison and Roselle.

Friday evening of this week, May 27, at the Village hall another meeting of the officers, members of the Board of directors and team managers is to be held to take necessary steps for placing the grounds in shape, draft a schedule, select a competent staff of umpires and official scorers, and determine other necessary procedure for getting the 1938 season under way early in June.

Form Two Boys' Leagues for Softball

Two Softball leagues, Junior and Intermediate, are being organized by the Recreation program, planned to include teams from Villa Park and Lombard. The Junior league will be composed of boys under fourteen years of age. Another Intermediate league will be composed of lads from fifteen to seventeen years. The first games will start in the week of June 13, and a detailed schedule will be published on June 9. Teams wishing to join a football league should apply at once at the Recreation office in the village hall. The name, age and address of manager and each player is all necessary for enrollment.

For these two leagues, the Junior league and the Intermediate league, the recreation department will furnish the bats and balls and umpire besides laying out the schedule. In the Junior league there are so far, four teams entered from Lombard and three from Villa Park. The Intermediate League has only attracted two teams and boys between 16 and 18 years are urged to get their team entries in as soon as possible so that the schedule can be drawn.

"Big Pete" Comes Within a Hook of State Bowling Title

Old lady luck, chief monarch of many a sporting event, lifted Big Pete Weigand by the scruff of the neck last Sunday and showed him a view of the promised land of bowlers; then the hussy dropped Big Pete—just as he was poised to gather himself an armful of fame and medals.

It was down at Peoria where some 3,000 mangle topping experts were gathered for the annual tournament of the Illinois Bowling association. The prowess of Weigand, Emil Beede, Larry Mueller, Charlie Weishaar (resident of Villa Park but Lombard bowler by preference) and Glen Fisher.

Sunday brought the big money events and Weigand entered the lists feeling in the pink. His first game was a 257. His second was a 235, and the crowd began to gather. Harold "Pete" swept on into his third game in the same beautiful stride. Came the eighth frame, and the Lombard man appeared to have the prize score of the tournament. The flash lights of press photographers began to flicker around Pete. They all thought he had it in the bag.

Then Pete got a "railroad." So what? everybody thought. But the next frame dealt him another of the same, and to the stark amazement of the assemblage, Weigand hit another "railroad" in the eighth frame, and he was out of the wreckage.

Big Pete plummeted from an all but conceded championship of the tournament down to fifteenth place on that third game fadeout of 177 points. His total was 660, and first prize went to a man who bowled a 690 series.

Weigand is a philosopher and believes that a man has his ups and downs, but he made the round trip so fast that time that he still feels dizzy. He shot a "300" not so long ago on the Lombard alleys, but his average score is 187.

Bob Grieve Gets Penn State Job

Bobby Grieve, son of Mr. and Mrs. W. S. Grieve of Lombard and who the past year has been assistant to Coach Frenchy Hausser at Pekin high school, has been named assistant track coach and instructor in physical education at Penn State college, State College, Pa. It was announced this week.

The former Illinois and Glenbard sprint star and football ace has been Hausser's assistant, track and wrestling coach and frosh soph football coach as well as an instructor in history while at Pekin.

Pekin school officials are sorry to see Grieve leave as he has been a distinct asset, but would not stand in the way of his advancement.

Penn State is coached by Chick Werner, former Illinois track coach and has 6,000 students. Bobby assumes his new duties next September.

Merchants to Play Here Memorial Day

Lombard's Merchants baseball team is set for a busy holiday weekend competition. On Sunday the Merchants are to play Warrenville there, and on Monday afternoon Memorial day, they will be hosts on the East St. Charles road diamond to the Winfield team.

There's plenty of rivalry from past years, even though no organized

league is guiding the hard ball players as they get under way. Last Villa Park Boosters hard and after an evening of play went home in confusion over the Merchants' on-hit their foe, 10 to 7. In the fifth innings to pile in a fifth inning to pile in a margin.

Airmail Week Was Important Event Here in Many Ways

the schools as souvenirs of the celebration.

And More Bouquets

Postal Clerk Helma has been wearing a pleased expression all week as a result of the many letters of praise that came along with the dozens of "exchange" requests from postal employees all over the United States, who were building a collection of Air-Mail Week "cachets", the special local post office stamps that were affixed to most of the airmail.

Helma received permission from Chas. R. Mehn, artist of the circular "Time in Lombard" emblem that has become so widely known, to use the design on the Lombard stamp. He then personally did the stamping on each Air-Mail envelope, in two colors here is what one note said from Millbury Mass.

"We are fellow clerks in the Millbury P. O. We saw an airmail letter that was mailed from your office with your cachet on it. We were quite impressed at its beauty and two-color combination. In fact, it is the most beautiful cachet that we have yet seen. Would you kindly send our letters by airmail with your cachet on them?"

Plane Taxis do Business

The note added that the letter observed bore the return address of Mrs. R. R. Schultz, 71 South Lombard street, postmarked from Lombard at 1:30 p. m., May 19, and arrived at the Millbury office at 7 a. m., May 20.

The Miller brothers and helpers did an excellent job of entertaining young and old at their Lombard airport Thursday afternoon, many folks became more air minded at sight of all the nearby airplane activity and a number took their first sky ride then and there, including the Postmaster and Mrs. Collins.

The finest glass sand in the world is found in the Ottawa district of Illinois.

The average carload of wheat or corn received at Chicago consists of about 1,500 bushels; the average carload of oats about 2,000 bushels.

First Church Singers Will Cook Big Feast

First Church choir sponsors services of "Oscar of the Bright" and "Louis of the Asterhof" to cook their dinner.

Extra—when a noted singer and a successful stock-broker get together to cook a dinner, well they've got something there. And if you want to find out what they've got, keep Wednesday evening, June 8, wide open. That's the night of the biggest dinner ever to be held in Lombard, Don't miss it.

Ralph Anderson, more affectionately known as "Oscar of the Bright" will be the party of the first part. Just looking at all of Oscar's 220 pounds at least makes you hungry. His co-host will be Louis Munchel, much better known as "Louis of the Asterhof." Both were very reluctantly agreed to lend their services to the affair and they better make good according to J. Dunkelheit, Quartermaster; otherwise back to the Greasy Spoon they go.

Singing chefs, waving waters, musical roasts, whistling tea, rolling peas, potato eyes and vealsturgies are but a few of the many, many items arranged for your appetite and entertainment, and that's not all, not by a jugful.

There's surprises galore by the thousands, by the tens anyway. There will be all kinds of jokes played and acted but the master of ceremonies guarantees that all of them will be practical and nobody will be any the wiser. If you've got any wit lying around, bring it. If you can't find all of it, then bring half of it, but don't miss a gigantic, colossal, stupendous, conglomeration, pre-historic monstrosity affair.

Eat and be merry at the Parish house of the First church Wednesday evening, June 8.

Children's Program

Second and third graders, pupils of Mrs. Stanish, read a symposium on Birds. How They Live and What They Do. The meadow lark, bluebird, golden oriole, goldfinch, humming bird, screech owl and robin, were described. The hubbub really the favorite.

Third and fourth graders, Miss Platt's room, were represented by little Marian Garrett from the Garrett Studio. Beautifully costumed, she did a graceful toe dance and quite captivated the audience.

Mrs. Stanish, music teacher, presented the fifth and sixth graders with a group of songs—"Early Dawn," "Geography" and a Hawaiian guitar solo by Sylvia Smith. The following were set up in the Morning: by Arthur Hagerly, Edwin Turner, Jack Bourgart, John Ross, and Charles Schroeder.

Tap dance, "Men of Indiarun" by Helen Olmsted, June Ruso, Dorothy Minnear, Elsie May Rockwood, Peggy Thompson, Lois Malmberg and Barbara Wilcox. Don Rush and Stuart O'Neil made a beautiful elephant. Saxophone solo, Charles Holleran, and piano accordion solo, Joyce Holleran.

Varied Program

Two housewives, exchanging radio jokes, by Geraldine Skepp and Roselle Prohaska.

Piano solo by Donna Marie Rockwood.

Tap dance by Dorothy Minnear, assisted by Mr. Cranberry, the principal on the banjo.

Hawaiian guitar solo by Don Rush "Men of Indiarun" by Betty May Skepp, Roselle Prohaska, Betty Rexford, Geraldine Skepp, Donna Marie Rockwood, and Dorothy Minnear.

Piano solo by Betty Rexford. Hawaiian guitar duet by Gilbert and Walter Bailey.

First "Then Relations" Stuart O'Neil and Helen Olmsted as the Mr. and Mrs. Don Rush, Donna Marie Rockwood, Peggy Thompson and Barbara Wilcox as their relations.

Fade's Personal Impression. Impersonation of "Popeye" by Allen Habb, stuffed muscle and all. Loud but not least, "Can the Ford" by the teachers. Mr. Cranberry and Miss Platt as the Mr. and Mrs. who started out for a Sunday afternoon drive in their old Ford. However, one complication after another arose until finally the trip was given up as a bad job. What with cranking the engine, they decided to call the Ford. Mrs. Boudiehl, Mrs. Stanish, Miss Nicholson and Miss Hildebrand were the wheels and Miss Morgan the engine. Striking laughter and a thunderous applause finished the program.

recent application for a \$25,000 WPA grant.

A large part of this money will be spent on improving the timber, present and future of the county, according to Robert L. McKee, general superintendent of the county, who said if present plans materialize, at least six acres of land will be reforested. Part of the money already has been earmarked for purchase of 50,000 saplings.

Miss Dan, 400,000 acres of land in Illinois are being developed as National Forests.

Airmail Week Was Important Event Here in Many Ways

(Continued from page 1)

the schools as souvenirs of the celebration.

And More Bouquets

Postal Clerk Helms has been wearing a pleased expression all week as a result of the many letters of praise that came along with the dozens of "exchange" requests from postal employees all over the United States, who were building a collection of Air-Mail Week "cachets", the special local post office stamps that were affixed to most of the airmail.

Helms received permission from Chas. B. Medin, artist of the circular Lilac Time in Lombard emblem that has become so widely known, to use the design on the Lombard stamp. He then personally did the stamping on each Air-Mail envelope, in two colors. Here is what one note said from Millbury, Mass.:

"We are fellow clerks in the Millbury P. O. We saw an airmail letter that was mailed from your office with your cachet on it. We were quite impressed with its beauty and two color combination. In fact, it is the most beautiful cachet that we have yet seen. Would you kindly send our letters by airmail with your cachet on them?"

Plane Taxicab Business

The note added that the letter observed bore the return address of Mrs. R. R. Schultz, 71 South Lombard avenue, was postmarked from Lombard at 1:30 p. m., May 19, and arrived at the Millbury office at 7 a. m. May 20.

The Miller brothers and helpers did an excellent job of entertaining young and old at their Lombard airport Thursday afternoon, many folks became more air minded at sight of all the nearby airplane activity and a number took their first sky rides then and there, including the Postmaster and Mrs. Collins.

The finest glass sand in the world is found in the Ottawa district of Illinois.

The average carload of wheat or corn received at Chicago consists of about 1,500 bushels; the average carload of oats, about 2,000 bushels.

First Church Singers Will Cook Big Feast

First Church choir secures services of "Oscar of the Bigbill," and "Louis of the Astorhoff," to cook their dinner.

Extra—when a noted singer and a successful stock-broker get together to cook a dinner—well they've got something there. And if you want to find out what they've got, keep Wednesday evening, June 8 wide open. That's the night of the biggest dinner ever to be held in Lombard. Don't miss it.

Ralph Anderson, more affectionately known as "Oscar of the Bigbill," will be the party of the first part. Just looking at all of Oscar (220 pounds at least) makes you hungry. His co-host will be Louis Mincher, much better known as "Louis of the Asterhoff." The "Bigbill" and the "Asterhoff" have very reluctantly agreed to lend their services to the affair and they better make good according to J. Dunkelwitt Quarterwitt—otherwise back to the Greasy Spoon they go.

Singing chefs, swing waiters, musical roasts, whistling tea, rolling peas, potato eyefuls and vestful gravies are but a few of the many many bits arranged for your appetite and entertainment, and that's not all, not by a jugful.

There's surprises galore, by the thousands; by the tens anyway. There will be all kinds of jokes played and acted but the master of ceremonies guarantees that all of them will be practical and nobody will be any the wiser. If you've got any wit lying around, bring it. If you can't find all of it, then bring half of it, but don't miss the gigantic, colossal, stupendous, conglomerate, pre-historic monster affair.

Eat and be merry at the Parish house of the First church Wednesday evening, June 8.
