

**LEAGUE WOMEN SELECT VOTERS' SCHOOL THEME**

At a board meeting held this morning, Mrs. Raymond, Executive Director of the Department of Government and its operation reported that the year's theme, "Information is the Best Line of Defense" would be used as the keynote of the Citizens' School to be held at the Methodist church, 609 E. 12th St. The school is being sponsored by the League of Women Voters.

In introducing this theme, Mrs. George Collins of Lombard, a director of the local League, said that it must be with a sense of privilege that the League sponsors such a fine program. Through the five departments of this organization, every member will find an opportunity to help in the building of what we confidently believe to be our nation's first line of defense.

**Our Day School**

Mrs. W. W. Ramsey who helped found the Citizenship Schools will be the instructor at the day school. Mrs. Ramsey, a vice president of the Illinois League, is a training school leader this summer. She told these women that to defend democracy we must first understand it and then we must participate in it. Mrs. Ramsey said that the organization was started because she recognized that the most important factor in the citizen himself. The American citizen has the greatest number of privileges and the greatest responsibility. Yet, Mrs. Ramsey said, education for citizenship is the most neglected form of education.

The complete plans for the Citizenship School, together with the topics upon which Mrs. Ramsey will address the Illinois state president, will address the Lincoln season will be in next week's issue of The Lombard Spectator. It is to be noted that although these schools are managed and led by League members, they are planned for the public generally.

**Local Women Attend Illinois Convention**

Mrs. Evelyn Smith, Mrs. Minnie Oelke, Mrs. William Kenyon, Mrs. Clara Gordon, and Mrs. Louis Faust attended the charter meeting of the Federation of Illinois Women's Republican clubs held at the Abraham Lincoln Hotel in Springfield Thursday, September 11. About 100 women from all over the state were present. Mrs. Faust, president of the local club, presided at the convention. The local Women's Republican club has become a member of this Federation.

**ALICE KOBER, RICHARD VANDERKIP WED LEFT**

At a double ceremony in a cathedral setting last Saturday evening, Alice Kober, daughter of Mr. and Mrs. George E. Kober of 57 Glenwood avenue, and Richard Vanderkip, East St. Charles road, were united in marriage. The vows were read in the chapel of the Glen Ellyn Methodist church by the Rev. Roy Crocker. In a street length dress of ice-blue with a matching Dutch cap and bridal bouquet of white lilies, Miss Kober was given away by her father. Her maid-of-honor, Betty Schroedel, of Chicago, a high school classmate of the bride, wore dusty pink and an unusual corsage made with sweet heart roses tinted with white gladiolus blossoms.

Mr. Vanderkip's best man was Samuel Tait of Oak Park, a business associate of the groom. Glen Backman of Vicks Park and Irving Baumrucker formerly of River Forest served as ushers. Church decorations were handled by Lois Miller and consisted of two large baskets of blue and white gladiolus with a background of palms and ferns. Four candelabra near the altar and two candelsticks on the piano added a soft glow to the arrangement. Music for the service was furnished by Mrs. Esther Curtis, school voice teacher of both the bride and groom. Mrs. Ruth Phillips of Wheaton presided at the organ.

**Reception**  
Following the ceremony a reception for the couple was held in the church parlors with about 175 in attendance. Photographs were taken of the bride as she cut her picturesque four tier wedding cake. Out of town guests of Mr. Vanderkip were Mr. and Mrs. B. Weisman, Mr. and Mrs. Norman C. Root, and others from Grand Rapids, Southern Illinois, and Chicago. Mr. Weisman is referee and wrestling coach and Mr. Root is track coach of Armour Tech where the groom studied. The bride's guests included her grandparents, Mr. and Mrs. Paul Catterick and cousins from Chicago.

and Mrs. Walter Flengy of the Stevens Hotel Saturday night and then left for two weeks in the North Woods. On their return, they will make their home in the apartments at 30 North Park street.

The bride is a graduate of Glenbard with the class of 1936. She is a member of the Wheaton Christian Science church, having made her musical debut last spring in Glen Ellyn. Her husband is an engineer connected with the Chicago Subway. He is a graduate of York high school, attended Elmhurst, Cook, and received his degree from Armour Institute of Technology. While in school he was a track star, president of the A.T.S.A. and tennis solist of the Glee Club; after graduation he was awarded the alumnae honor award.

**LUANA, VIRGINIA CURTIS ENTERTAINERS FRIENDS**

The C. R. Curtises, 8 North Charlotte street, entertained with two parties last week. On Wednesday, September 4, Virginia Curtis was hostess at a surprise party for Joe Spears of Glen Ellyn who is leaving for Texas to be with the National Guard for one year. Seven couples from Lombard and Glen Ellyn gathered at the Curtises home to play cards and offer goodby wishes to the guest of honor. Refreshments of peanut sticks, cake, and punch were served.

The following evening, Luana Curtis gave a handkerchief shower for Betty Butler who has left for Culver Stockton college. The eight girls played bridge and were served refreshments of ice cream, cookies, peanut sticks, and cold drink. Those guests being the hostess and guest of honor were Marion Fette and Eleanor Birt of Lombard and Helen Hall, Shirley Jacobs, Evelyn Carter and Marian Arne of Glen Ellyn.

**CRYSTAL SHOWER GIVEN FOR ALICE KOBER**

A crystal shower was given Wednesday evening, September 4, for Alice Kober at the home of Lois Miller, 455 West St. Charles road.

A complete crystal set for eight was presented to Miss Kober by her friends. Six places were displayed on a lovely pink shower table with a pink glass centerpiece. Candlelight accentuated the brilliance of the crystal.

Twelve girls were present, making three tables of bridge. They were Gail Spellerberg, LaVerne O'Neil,

Alma Bergs, Edna Flint, Betty Schroedel, Grace Vanderkief, Betty Schroedel, Irene King, Alice Kober, and Lois Miller.

**MILDRED SPELLERBERG HONORED AT SHOWER**

Thursday evening, August 29 twenty-one friends of Mildred Spellerberg gathered at the home of Mr. and Mrs. Fred L. Marquardt, 225 West St. Charles road, to surprise the bride-to-be at a miscellaneous shower given in her honor. Marian Marquardt was hostess to guests from Glen Ellyn, Chicago, and Lombard.

Gifts were carefully hidden around the big house and a novel system was employed to help Mildred Spellerberg locate them. Verses containing hints were stowed in balloons which had to be pricked before they would yield their contents.

Refreshments were served buffet style from a pink and white table.

**NYA HELPS 173 DUPAGE YOUTHS IN HIGH SCHOOL**

Part-time jobs provided by the National Youth Administration enabled 173 youths in DuPage county to return to high schools this semester. It was announced today by Mary Stuart Anderson, NYA administrator for Illinois.

These young men and girls, students in tax-exempt schools, were provided part-time employment after school hours under the NYA program which was established to aid youths between the ages of 16 and 24, inclusive, to remain in high school and college. In Illinois, more than 30,000 students in 196 high schools and 74 colleges are expected to be enrolled in the 1940-41 year.

**Allocation of Funds**  
The Illinois allocation of funds for the NYA student work program for the current year was \$726,269, of which approximately \$750 will be spent in DuPage county monthly.

"School authorities in each community will be responsible for the selection of the students to be employed and for the establishment of suitable types of work activities," Administrator Anderson said. "Committees of educators in each state will work with local school officials to insure the maintenance of adequate standards of workmanship."

**Scholastic Ability**  
"Students are selected on the basis of proved need and demonstrated scholastic ability and earn between \$3 and \$6 a month. During the last school year the students employed by NYA came from families having average annual incomes of \$507." Although they are required to work a given number of hours each month, in addition to their regular studies, NYA employed students in the past have maintained better than the average grades, Miss Anderson stated.

**County Receives \$300 From Building Permits**

Monthly building report of the DuPage Zoning department records 149 permits issued and \$300 revenue to the county. This amount is less than either the June or July totals.

During August permits were given for construction of 58 residences in this county valued \$181,058. Twenty-eight applications to remodel dwellings were granted, and permission given for the building of 31 garages and sheds valued \$338,1. Twenty-two sign boards were erected at a total cost of \$462.

Other items listed in the report were four businesses, one building valued at \$2,000, and two commercial buildings at \$1,350.

**Women to Hold Picnic For Republican Clubs**

Seventeen women, members of the executive board of the DuPage County Women's Republican club, held a meeting at the home of Mrs. Evelyn Smittal on Monday, September 8. The morning was spent in discussing organization activities for the fall, after which Mrs. Smittal served luncheon to the group.

There will be a picnic of the DuPage county clubs on September 23, at which the relief situation will be discussed in open forum.

### Glenbard Grid Prospects Given X-Ray Treatment

**DON'T EXPECT TOO MUCH OF BROWER AND HERMAN, EXPERT PLAYERS**

Opening week of school and local prep fans are again thinking expectantly about the Glenbard football season and the corresponding likelihood of the team's record in the aggregate that the Green and White will get a triumphant swing through opponents of the West Division.

Prospects are analyzed by "The Daily News" after a week's sports action, and here is what is figured out and what is the information of some of the likely prospects that a championship for the boys' team by a long shot and not expected.

That of thirty eight athletes in 1939 only three are back. Around these three were a whole lot of new players, but it is hard to tell how many of them will be back next year. It is a possibility that it is an unlikely event.

**Receiving Specialist**  
The three returning veterans are Glenn Brower, fullback, Don Herman, fullback, and Dick Warner, quarterback. It is hard to tell how many of them will be back next year. It is a possibility that it is an unlikely event.

**Line Man Wright**  
The forward wall will have enough back in this year's drive, averaging 175 to 200 pounds. At the middle line, the back line is made up of Don Herman, fullback, Dick Warner, quarterback, Glenn Brower, fullback, and Dick Warner, quarterback.

### Local Sportsmen Show Dogs in Demonstration

Seven local sportsmen assisted in the training demonstration for the dogs that was held last Sunday at Stanton Stables. Two thousand dogs stayed to the finish of the long program and were rewarded by many novel and amusing incidents.

James Edwards, of Main street, Ray Grunert of St. Charles road, W. R. Franz of West Ash street, Alfred Frosch of North Highland avenue, Harold Schabke of South Main street, and Harold Chandler of West Ash street were among those who participated. R. H. McClain and Mr. Robbins of Villa Park and Ted Smith of Elmhurst were also present from this vicinity.

R. C. Blackwell, 428 West Ash street, secretary of the Chicago and Field Trial club, was invited for his tireless work in making the demonstration a success. The show survived as an appetizer for the Chicago club's three-day trials set for October 25, 26, and 27 at Addison and Given Ellyn.

### Correction! Robins are Junior Champs

It was all wrong! One of those times when the score sheets indicated all too clearly something that was NOT true. The Spectator, as a result, reported news that the Robins beat the Hawks for the championship of the Junior Soft Ball league. They won't win all right, but that game was the third place in the league. The real game—for the title—was between the Robins and the Hawks. In that game the Robins were victors. So the Hawks are the real champions of the Junior league, and if anyone says different it will be now because they are a week behind time!

THE LOMBARD SPECTATOR

Published Every Thursday by LOMBARD PUBLISHING CO., Inc. L. S. WITTEBERG, Editor 119 West St. Charles Road Telephone Lombard 217

Subscription price \$2.00 per year, in advance.

Entered as second-class matter, June 16, 1937, at the post office in Lombard, Illinois, under the Act of March 3, 1879.

SPECTATOR'S PLATFORM FOR LOMBARD 1. Support for Home Business Men 2. The Cheapest Neighborhood in Chicagoland 3. A Community of Friendly People 4. Greater Interest in Public Affairs

CAUTION PREFERRED

Every fall thousands of the nation's motorists are warned carefully that the children are again on their way to school. It is a regular and laudable custom but its very regularity makes it dangerous.

It seems likely that every one of Lombard's automobile drivers has seen the SCHOOL-GO SLOW warnings. And probably most of the villagers have been personally exhorted to watch out for the younger generation.

But the big difficulty is we don't remember those warnings. We drive blithely past the school buses at our ordinary pace - a pretty lively pace too. Perhaps the more conscientious motorists even hesitate a bit when moving past the school itself. But that's not the only danger spot. The whole town should be one great CAREFUL zone.

The majority of our children have to walk or skip or run to school. They aren't very old, nor very wise yet. They are pretty busy thinking about such important matters as marble games and hop-scotch and jump ropes.

So if they ever get to our adult position of wisdom and responsibility it's going to be partly because we kept an eye out for them. That means that the driving citizens of Lombard have to devote their driving time to thinking of driving - not of the butcher bill or whether you can cut corners a bit faster to make the morning train.

Lombard already has something of a head start right now in local traffic enforcement. The police are beating down on speeders and reckless drivers. That's a fine thing. But let's remember that a 3-hour school period is about to be moving very fast to push over a future president who speaks at 45 words.

These boys and girls are Lombard's sons and daughters. Maybe we'd be a good idea to allow them to become Lombard's taxpayers - that will make everyone happy.

Postponed Meeting Of P.T.A. Is Monday

Postponing their meeting from last Monday to Monday evening, September 10, 11 members of the Westmore Parent-Teacher association will meet in the Westmore school at 8 o'clock. Paul Coffman, principal of Lincoln school of Villa Park will show some still and moving pictures of his trip to Yellowstone National park Lake Louise and of the Columbia Ice Sea.

Mr. Cransberry, principal of Westmore school, will show his pictures of the children of the school visiting Lincoln park last spring.

Miss Herbert Hill, president, will preside.

All new families in this vicinity are cordially invited. All old members and friends are urged to be present.

S-H-R-A-P-N-E-L

Well kids your first week of school is nearly over. You know you have to pretend you've got a good back. Bally and distal too. But if it kind of fun when you really think about it. I thought of course you can't admit that you have a lot of trouble. I'm sure you're not.

We were prowling around each of Lombard's schools the other day and we saw lots of things that you'll be using for the next couple of months. That'll make going to school seem worth while.

First off, there were the baseball diamonds not exactly big league stuff but not so bad either. I took over at Westmore school about 10 minutes with grass like some of the others were. I asked the neighborhood boys have been keeping that busy this summer. And the backstop there was block those wild pitches.

Out in back you Westmore school girls are out on a waiting game of tennis if that's your style. You know that gravel tennis court is spread over the space for three courts so you've got something to look forward to.

Hammerhead is a nice, modern looking building, isn't it? One thing puzzled us and that was the three shreds on the entry. The center one was easy enough. It was a globe. But the other two were a little too complicated. You might ask your new teacher but don't tell her we were so inquisitive and then write us the answer on your card.

You've got a huge playground there with a net growing up almost to the edge of it. And next to the school, a deserted house lends an air of mystery. Ummm.

A characteristic trait of kids of any generation seems to be that you will write on anything that's handy. Initials, arithmetic problems, and little doodles cover everything from the back door of the school to the galvanised rain pipes. "F R 1937" and "W L" and "E Z" are even marked into the cement behind the Lincoln building.

Sure, rule your bikes! They're all ready for you with six bicycle racks at Lincoln. Say we were wondering if that old bicyclist of the 1867 Lombard School next door to the main building has bits in it. The Sacred Heart and St. John's schools already show signs of harboring activity. Skuffed doors, trampled down grass and public-cracked windows indicate rather exuberant natures. Basket ball rings outdoors are nice things to have. The more you practice the better you get and then in a few years you can be here on the high school squad.

How's your little school football? Do you play that much? And can you buy milk at noon in the morning? How are you at folding paper airplanes and flicking rubber bands? When it rains at recess time do you like to stay inside and play eraser games?

Let's see now, do you have Halloween and Christmas parties? Carving pumpkins and cutting out Christmas cards are a lot of fun. And are you anxious for now so you and the fellows can build snow globes and have snowball fights in the back of the school?

Well, there's arithmetic too, you know. Arithmetic and reading and spelling to mix it up with your sports and hand and parties. But have all the fun you can and just think in three months it will be June and summer vacation again!

Senior At Purdue Entering his senior year at Purdue University. Frank Caldwell, son of Mr. and Mrs. January Caldwell, 24 Greenfield avenue, left Wednesday, September 4, for Lafayette, Ind. Frank is majoring in public service engineering.

### LEGION OFFICERS TO BE INSTALLED MONDAY EVENING

(Continued from Page 1)

Paul Grimm, finance officer, reported the post in a healthy financial condition, and William P. Tromp, chairman membership, showed a gain of 13 members to a new all-time high of 165. Newton Bean, Sons of American Legion chairman, discussed the activities of this unit which is one of the largest in the state.

Commander Fred W. Maack commended the chairman and stated that a \$125 fund will be set aside annually for youth activities, to include all youth organizations in Lombard.

Commander Fred W. Tromp spoke on the state convention proceedings held at Danville August 24 to 27. He has received a letter from the newly elected department commander, William P. Vaughn, accepting an invitation to speak here January 13, 1941.

Past county commander, Earl Prusak of Itasca and the newly installed county Auxiliary president, Martha

### Harders, were introduced

"American Ideals."

The highlight of the evening was a talk by past department commander, Leonard J. Applegate of America, who spoke on American Ideals for which the Legion is fighting. These are beginning to be recognized, he pointed out. The Legion also has been asking for national legislation which they feel will make the United States safer by making other nations afraid to attack here, according to the speaker.

Mr. Applegate stated that the Legion has also passed resolutions demanding that Harry P. Hoopes, who was active in the national campaign, be deported, but that this has not yet been held up by Congress and ratification.

His talk was thoroughly appreciated by the audience as indicated by the applause.

After the colors were gotten photographs were taken of various groups featuring the new flag and colors, past commanders and the auxiliary guests. Refreshments were served at the close of the evening.

### REPUBLICAN CLUB HONORS O'NEILL AT D. G. MEETING

Downers Grove Woman's Republican club of which Mrs. Robert Carpenter is president, held a meeting Thursday on the lawn at the home of Mrs. Prince. The club not only added to its membership but also had other objectives discussed by heard party.

A successful campaigner, Mrs. Ralph Church of Evanston.

The meeting was also planned to honor Lottie Hoffman O'Neill in recognition of her faithful service as legislator. Eighteen years ago a similar meeting was held in the same place. Then it was a small group largely from DuPage county who were Mrs. O'Neill's campaign workers before her first election. They were attempting something which had not been accomplished thus far—electing a woman to the legislature.

**Large Crowd**

Thursday's propitious weather enabled many of these same women to gather again with the re-enforcements from the more remote districts. Downers Grove friends added the number to 150. Champaign, Crete, Chicago Heights, Evanston, Joliet, Lockport, Manhattan, Mokena, Southville, Mass., Hinsdale, Glen Ellyn, Lombard, Naperville, West Chicago, Wheaton, River Forest and Berwyn were all represented.

Mrs. Carpenter presided and introduced the speakers. Mrs. O'Neill spoke refreshingly in her usual happy vein; several out-of-town guests were introduced, and Mrs. Jonas Foster made a few timely remarks. Mrs. Hazel Weinheimer was the leader of the group singing Patriotic songs, interspersed with those which were written when Mrs. O'Neill was first seated in the legislature, were sung. The letter introduced, that written by the late Wm. J. O'Neill for that occasion in 1922 and sung by Mrs. Weinheimer in Springfield.

**Evelyn Gellie**

Evelyn Gellie of Lombard accompanied the singing on the accordion, and pleased the guests with an impromptu concert during the intermission. Fruit punch and wafers were served by Mrs. John Vogel's committee.

The meeting was culminated by the photographer who caught the group in a happy mood.

### Suburban Firemen To Start Carnival, Fire Show Today

Firemen of the West Suburban Fireman's association at the city with preparations for its first carnival and fire show which starts today, September 12 and continues through Sunday, September 15, at the intersection of Roosevelt and Butterfield roads.

A H. Allen of Lombard, general chairman of the event, says Koch of LaGrange is chairman of the fire show and C. J. Lane of Lombard has charge of the publicity and advertising program.

Water fights will be held each night, in which twenty participants will compete in the elimination. A large drill tower has been erected on which rescue work will be demonstrated. The fire show will be in the afternoon and starts on Sunday. A Chicago drill team will also perform at that time.

Saturday and Sunday evenings there will be a street dance on Butterfield road between Roosevelt and Route 74. There will be an admission charge to the carnival and show and a large parking space available.

Theodore Gruber of Hinsdale is president of the organization which includes the villages along the Chicago and North Western railway and the C. & N. W. line. Since 1928 this association has been organized for mutual aid in emergencies.
